

TRAINING AND PLACEMENT CELL

The Training and Placement cell of St. Thomas College provides information regarding Job opportunities available in the market. It organizes placement interviews in its own campus and sometimes pool campuses are also organized. It also gives information on various courses of higher studies in India and about competitive examination. This cell also motivates and counsel students about industry practices and teaches them how to improve their Communication skills. It also facilitates real time preparation for company selection process and acquaints the students about self-Employment programmers. Students are also apprised on continuous basis by offering various training programmes, by Organizing workshops, seminar on latest trends to enhance their personality and career development skills. In the year 2016-17, 2 students of B.Sc were placed in Nestle India with annual package of 5 lakhs, 9 students of Science stream got placement in Capgemini, 5 B.Ed Students got placed in J.S.P.S Memorial School, 10 students got placement in ESAF Microfinance.

TATA INSTITUTE OF SOCIAL SERVICES – NUSSD

The NUSSD Programme's main goal is to work with students to increase their chances of getting jobs. It aims to develop your full potential and awaken you to work for well-being, self and others. It gives you the chance to learn important skills required not only for getting jobs but also for succeeding in them.

First Batch of students who successfully completed TISS – NUSSD programme

Visit to Police Station under YLPS programme

Visit to Jan Panchayat under Legal Literacy

Visit to Bank under Financial Literacy Programme
